RE-DESIGNING THE METROPOLIS

2-3 Streets. An exhibition in the cities of the Ruhr by Jochen Gerz

Three cities of the Ruhr selected a total of 57 renovated apartments for the 2010 art project "2-3 streets".

The 78 participants of "2-3 streets" will live there rent-free for one year. In return, they promised to write a digital diary. The aim of the exhibition is to change the streets. New tenants, old tenants and the visitors of the exhibition are invited to contribute to the text in internet cafés. The outcome will be a book written by creative people from all social classes and parts of the society.

The texts will be collected in a digital archive and published in 2011.
